What's in a Review?

- ENTHUSIASM! Share your opinion with others. Let them know how great or not so great you think the program is.

- Title: What is the full title of the movie, video, game, or website?

- Who's in it? Who are the stars or main characters?

- Story line: Give a brief summary of the story.

- Details: Is it animation or live action, comedy or drama or action/adventure?

- Production values: Describe the music, special effects, sets, costumes.

- Target audience: What kind of people would like this movie, video, or game?

- Age recommendation? What age is this appropriate for?

WHAT A REVIEW DOES NOT DO!

- Don't give away the *best parts* or the *ending*.

- Don't recommend what should have happened to make it better.
