Parents ...

Kids love movies! It's part of their socializing experience. They love being on camera and are comfortable there. At KIDS FIRST! Film Critic Boot Camps, we turn kids' love of film and media into a fun learning experience! During this camp, your child will learn to...

1. Watch films and write about them.
2. Discuss and debate, live and on-camera.
3. Look critically at different elements that make a film - from directing and acting to cinematography, writing and art direction.
4. Beyond critiquing film, they learn life skills that truly last a lifetime - highly sought after job skills. We are preparing your child to step up into their future careers.
