Kids love movies! It's part of their socializing experience. They love being on camera and are comfortable there. At KIDS FIRST! Film Critic Boot Camps, we turn kids' love of film and media into a fun learning experience! During this camp, our child will learn to...

1. Watch films and write about them.
2. Discuss and debate, live and on-camera.
3. Look critically at different elements that make a film - from directing and acting to cinematography, writing and art direction.
4. Beyond critiquing film, they will learn life skills that will truly last a lifetime! These are high sought after job skills. We are preparing your child to take a step up into their job future.
